INFORMATION CIRCULAR
as at October 18, 2024
(except as otherwise indicated)

This Information Circular is furnished in connection with the solicitation of proxies by the Management of **COLOURED TIES CAPITAL INC.** (the “Company”) for use at the in person annual general meeting (the “**Meeting**”) of its Shareholders to be held on Friday, December 6, 2024 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Information Circular, references to “the Company”, “Coloured Ties”, “we” and “our” refer to COLOURED TIES CAPITAL INC. “Common Shares” or “Shares” means common shares without par value in the share capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “Registered Shareholders” means shareholders who hold Common Shares in their own name. “Shareholders” means Beneficial Shareholders and Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, subject to the use of Notice-and-Access Provisions in relation to delivery of the Information Circular, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Notice-and-Access

Notice-and-Access means provisions concerning the delivery of proxy-related materials to Shareholders found in section 9.1.1. of National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), in the case of registered Shareholders, and section 2.7.1 of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), in the case of beneficial Shareholders (“**Notice-and-Access Provisions**”), which allow an issuer to deliver an information circular forming part of proxy-related materials to Shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

Notice-and-Access Provisions allow reporting issuers, other than investment funds, to choose to deliver proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR+ website (usually the reporting issuer’s website and sometimes the transfer agent’s website) rather than by delivering such materials by mail. Notice-and-Access Provisions can be used to deliver materials for both general and special meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer’s expense.

Use of Notice-and-Access Provisions reduces paper, printing and mailing costs incurred by the issuer. In order for the Company to utilize Notice-and-Access Provisions the Company must send a notice to Shareholders, including Non-Registered Holders, indicating that the proxy-related materials have been posted and explaining how a Shareholder can access them or obtain from the Company, a paper copy of those materials. This Information Circular has been posted in full at www.colouredtiescapital.com and on SEDAR + under the Company’s corporate profile at www.sedarplus.ca.

In order to use Notice-and-Access Provisions, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to Shareholders. The requirements of that notice, which require the Company to provide basic information about the Meeting and the matters to be voted on, explain how a Shareholder can obtain a paper copy of the Information Circular and any related financial statements and related management discussion and analysis, and explain the Notice-and-Access Provisions process, have been built into the Notice of Meeting. The Notice of Meeting has been delivered to Shareholders by the Company, along with the applicable voting document (a form of Proxy in the case of registered Shareholders or a Voting Instruction Form in the case of Non-Registered Holders).

The Company will not rely upon the use of ‘stratification’. Stratification occurs when a reporting issuer using Notice-and-Access Provisions provides a paper copy of the information circular with the notice to some Shareholders. In relation to the Meeting, all Shareholders will have received the required documentation under the Notice-and-Access Provisions and all documents required to vote in respect of all matters to be voted on at the Meeting. No Shareholder will receive a paper copy of the information circular from the Company or any intermediary unless such Shareholder specifically requests same.

The Company will pay intermediaries, including Broadridge Financial Solutions (“**Broadridge**”), to deliver proxy-related materials to NOBOs and OBOs.

Copies of this Information Circular, the Notice of Meeting, the Proxy and the annual financials (together “**Proxy Materials**”), are posted online at www.colouredtiescapital.com and are filed on SEDAR+ under the Company’s corporate profile at www.sedarplus.ca. Any Shareholder who wishes to receive a paper copy of the Circular may call the following toll-free numbers **English** Toll Free Number: 1-844-916-0609 or **French** Toll Free Number: 1-844-973-0593 providing your name and mailing address. A Shareholder may also use the toll-free numbers noted to obtain additional information about the Notice-and-Access Provisions.

Any Shareholder wishing to request a paper copy of the Information Circular as described above, should ensure such request is received by **Friday, November 22, 2024**. Under Notice-and-Access Provisions, Proxy Materials will be available for viewing for up to one year from the date of posting and a paper copy of the materials can be requested at any time during this period. All Shareholders may call the following toll-free numbers in order to obtain additional information relating to the Notice-and-Access Provisions or to obtain a paper copy of the Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting: **English** Toll Free Number: 1-844-916-0609 or **French** Toll Free Number: 1-844-973-0593.

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are directors and/or officers of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Company’s transfer agent, Computershare Trust Company of Canada (“**Computershare**”), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia Canada V6C 3B9 or by hand delivery at any Computershare office in Canada;

- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing process and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("**OBOs**") who object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("**NOBOs**") who do not object to the issuers of the securities they own knowing who they are.

Pursuant to NI 54-101, the Company distributes copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the "**Meeting materials**") to the Depository and Intermediaries for onward distribution to Beneficial Shareholders. The Company does not send Meeting materials directly to Beneficial Shareholders. Intermediaries are required to forward the Meeting materials to all Beneficial Shareholders for whom they hold Common Shares unless such Beneficial Shareholders have waived the right to receive them.

These securityholder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a beneficial owner, and the Company or its agent sent these materials to you directly, your name, address and information about your holdings of securities were obtained in accordance with applicable securities regulatory requirements by the intermediary holding securities on your behalf.

If you are a Beneficial Shareholder:

If you are a Beneficial Shareholder you should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a Voting Instruction Form ("**VIF**") in lieu of the proxy provided by the Company. The VIF will name the same persons as are named on the Company's form of Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), who is different from any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, insert the name of the desired representative, which may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge will then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting to vote your Common Shares.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the *Business Corporations Act* (British Columbia) (the “BCBCA”) and Canadian provincial securities laws. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this Information Circular has been prepared in accordance with the disclosure requirements of applicable Canadian provincial securities laws which differ from the disclosure requirements of United States federal securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company was continued from the Alberta Business Corporations Act to the BCBCA, certain of its directors and its executive officers are residents of Canada, and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a Company, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare Trust Company of Canada, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Only persons nominated by management pursuant to this Information Circular or pursuant to the Advance Notice Provision will be considered valid director nominees eligible for election at the Meeting.**

Advance Notice Provision

At the Company's annual and special meeting held on October 16, 2023, shareholders approved new Company's *Business Corporations Act* (British Columbia) Articles that provide for advance notice provisions (the "**Advance Notice Provision**"). The Advance Notice Provision provides for advance notice to the Company in circumstances where nominations of persons for election to the Board of directors of the Company are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the *Business Corporations Act* (British Columbia) or (ii) a shareholder proposal made pursuant to the provisions of the BCA.

The purpose of the Advance Notice Provision is to foster a variety of interests of the shareholders and the Company by ensuring that all shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision that is available under the Company's profile on SEDAR at www.sedarplus.ca.

The Company did not receive notice of a nomination in compliance with the Advance Notice Provision, and as such, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

CORPORATE GOVERNANCE

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognize the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

The Board facilitates its exercise of independent supervision over management by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Board also holds periodic meetings to discuss the operation of the Company.

Christopher Cooper is “independent” in that he is independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director’s ability to act with the best interests of the Company, other than the interests and relationships arising as shareholders. Kulwant Malhi is not “independent” as determined under NI 52-110 (defined below) as Kulwant Malhi is Chief Executive Officer of the Company and Desmond Balakrishnan is not independent as he is currently a partner in a law firm that provides legal services to the Company.

The directors are responsible for managing and supervising the management of the business and affairs of the Company. Each year, the Board must review the relationship that each director has with the Company in order to satisfy themselves that the relevant independence criteria have been met.

Orientation and Continuing Education

While the Company currently has no formal orientation and education program for new Board members, sufficient information (such as recent financial statements, prospectuses, proxy solicitation materials, technical reports and various other operating, and budget reports) is provided to any new Board member to ensure that new directors are familiarized with the Company's business and the procedures of the Board. In addition, new directors are encouraged to visit and meet with management on a regular basis. The Company also encourages continuing education of its directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Company.

Ethical Business Conduct

Each director is required to disclose fully to the Board any material interest such director may have in any transaction contemplated by the Company. In the event that a director discloses a material interest in a proposed transaction, the Company's independent directors will review the nature and terms of the proposed transaction in order to ascertain and confirm that it is being considered on commercially reasonable and arm's-length terms. The Board does not currently have any policies and plans to adopt formal policies in the future.

Nomination of Directors

The Board performs the functions of a nominating committee with responsibility for the appointment and assessment of directors. The Board believes that this is a practical approach at this stage of the Company's development and given the relatively small size of the Board.

While there are no specific criteria for Board membership, the Company attempts to attract and maintain directors with business knowledge and a particular knowledge of other areas (such as finance) which provide knowledge which would assist in guiding the officers of the Company. As such, nominations tend to be the result of recruitment efforts by management of the Company and discussions among the directors prior to the consideration of the Board as a whole.

Compensation

The Board has established a compensation committee (the "**Compensation Committee**") whose mandate is to assist the Board in the review and approval of executive compensation matters.

The Board periodically reviews the mandate of all committees including the Compensation Committee. On April 27, 2016, the Board updated the Compensation Committee mandate to reflect changes in current compensation governance practices and regulatory requirements.

As at the date of this Information Circular, the Compensation Committee is comprised of Kulwant (Kal) Malhi (Chair), Christopher Cooper and Desmond Balakrishnan, of which Christopher Cooper is independent. Mr. Malhi is not independent (Chief Executive Officer). By virtue of education, professional designation and experience in other publicly listed companies, the Compensation Committee members collectively have the skills and experience that enable the Compensation Committee to make decisions on the suitability of the Company's compensation policies and practices.

The Company has not at any time since the beginning of the Company's most recently completed financial year retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining compensation for the Company's directors or executive officers.

A more detailed description of Compensation can be found in the "*Statement of Executive Compensation*" section of this Information Circular.

Other Board Committees

The Board has no committees other than the Audit Committee and Compensation Committee.

Investment Policy

The Company adopted a written Investment Policy to govern its investment activities. The Investment Policy provides, among other things, the investment objectives and strategy based on the fundamental principles set out below. A complete copy of the Investment Policy is attached as Schedule “B” to the Company’s Information Circular dated July 2, 2019 to the Company’s August 7, 2019 annual and special meeting.

Assessments

The Board has no specific procedures for regularly assessing the effectiveness and contribution of the Board, its committees, if any, or individual directors. As the Board is relatively small, it is expected that a significant lack of performance on the part of a committee or individual director would become readily apparent, and could be dealt with on a case-by-case basis. With respect to the Board as a whole, the Board monitors its performance on an ongoing basis, and as part of that process considers the overall performance of the Company and input from its Shareholders.

Under Policy 4.4, the current market price must be the 5-day volume weighted average trading price prior to option exercise. “Net Exercise” may not be utilized by persons performing investor relations services.

Pursuant to section 4.4 of the Option Plan, in the event of a Cashless Exercise or Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Common Shares actually issued by the Company, must be included in calculating the limits set forth in the Option Plan.

There are currently a total of 1,255,000 outstanding Options, with 955,000 Options having been granted to Insiders of the Company.

B. Fixed Restricted Share Unit Plan (Share-Based Awards)

At the Company’s annual general and special meeting held on October 16, 2023, shareholders of the Company approved the Company’s fixed restricted share unit plan dated for reference July 1, 2019 as amended on April 24, 2020, August 18, 2022 and further amended and dated August 31, 2023 (the “**RSU Plan**”). The RSU Plan is designed to provide certain directors, officers, employees, consultants and advisors of the Company and its related entities with the opportunity to acquire restricted stock units (“**RSUs**”) of the Company in order to enable them to participate in the long-term success of the Company. The purpose of the RSU Plan is to further promote a greater alignment of the interests of directors, officers, employees and consultants of the Company with the interests of the Shareholders. The Board (or such other committee the Board may appoint) is responsible for administering the RSU Plan.

RSUs will vest on terms established by the Board, or any Board committee appointed for such purpose and in accordance with Section 4.6 of Policy 4.4.

The following is a summary of the RSU Plan. Capitalized terms used but not defined shall have the meanings ascribed thereto in the RSU Plan.

Benefits of the RSU Plan

The RSU Plan is designed to be a long-term incentive for the directors, officers, employees, consultants and advisors of the Company. RSUs provide the Board (or a Board committee) with an additional compensation tool that can be used to help

retain and attract highly qualified directors, officers and employees and further align the interests of directors, officers, employees and consultants of the Company with the interest of the Shareholders. It is intended to promote a greater alignment of interests between the Shareholders of the Company and the directors, officers, employees and consultants of the Company by providing an opportunity to participate in any increases to the value of the Company.

The Board may engage such consultants and advisors as it considers appropriate, including compensation or human resources consultants or advisors, to provide advice and assistance in determining the amounts to be paid under the RSU Plan and other amounts and values to be determined hereunder or in respect of the RSU Plan including, without limitation, those related to a particular Fair Market Value.

The method of calculating the applicable Vesting Date Value and Award Payment is specified in the RSU Plan.

Nature and Administration of the RSU Plan

All Directors, Officers, Employees, Consultants and Advisors of the Company and its related entities (“**Eligible Persons**”) are eligible to participate in the RSU Plan (as “**RSU Plan Recipients**”), though the Company reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation in the RSU Plan at any time. Eligibility to participate in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

Subject to certain restrictions, the Board (or a Committee delegated by the Board), may, from time to time, award RSUs to Eligible Persons. All RSUs awarded will be credited to an account maintained for each RSU Plan Recipient on the books of the Company as of each award date. The number of RSUs to be credited to each RSU Plan Recipient’s account shall be determined at the discretion of the Board and pursuant to the terms of the RSU Plan.

Each award of RSUs vests on the date(s) (each a “**Vesting Date**”) that is the later of the Trigger Date and the date upon which the relevant performance condition or other vesting condition set out in the award has been satisfied, subject to the requirements of the RSU Plan. Rights and obligations under the RSU Plan can be assigned by the Company to a successor in the business of the Company, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Company, or any Company acquiring all or substantially all of the assets or business of the Company.

Shares Reserved

The RSU Plan allows the Company to grant RSUs, under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a fixed maximum number Common Shares.

The RSU Plan provides that the aggregate number of Shares available for issuance from treasury under the RSU Plan, shall be 1,516,749 Shares. Any Share subject to an RSU, which has been cancelled or terminated in accordance with the terms of the RSU Plan, without being paid out as provided for in Part 3, shall again be available under the RSU Plan,. In the event the number of Shares subject to RSUs exceeds the maximum number of Shares available for issuance under the RSU Plan, no further Unit Awards may be granted.

 - (ii) the maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders as a group shall not exceed 10% of the total number of issued and outstanding Shares of the Company on a non-diluted basis at any point in time; and
 - (iii) the maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12-month period to Insiders as a group shall not exceed

10% of the total number of issued and outstanding Shares of the Company on a non-diluted basis, calculated as at the date any Security Based Compensation is granted or issued to any Insider; and

- (c) Unit Awards may not be granted under this RSU Plan to persons retained to provide Investor Relations Activities.

The respective limits set out above may be exceeded: (a) if the Common Shares are listed for trading on the TSXV, on a case-by-case basis, upon the approval of disinterested shareholders of the Company; or (b) if the Shares are not listed for trading on the TSXV, in accordance with the applicable Stock Exchange policies.

Credits for Dividends

An Eligible Person's Account shall be credited with additional RSUs as of each dividend payment date in respect of which cash dividends are paid on Shares. The number of additional RSUs to be credited to an Eligible Person's Account shall be computed by dividing:

- (a) the dividends that would have been paid to such Eligible Person if each RSU in the Eligible Person's Account on the relevant dividend record date had been one Share, by
- (b) the Fair Market Value of the Share determined as of the date of payment of such dividend. Any fractional RSUs resulting from such calculation shall be rounded to the nearest whole number. For greater certainty, a fractional entitlement that is equal to or greater than 0.5 shall be rounded up to the next greater whole number and a fractional entitlement that is less than 0.5 shall be rounded down to the next lesser whole number. Any such additional RSUs credited to the Eligible Person's Account shall vest in proportion to and shall be paid in the same manner as the RSUs to which they relate. The foregoing does not obligate the Company to pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

Any RSUs granted under this Plan shall be subject to the terms of this Plan, including the limitations set out in this Plan. Any grants of RSUs that would result in exceeding any of the limits set out in in this Plan shall be paid in cash.

Extension of Restricted Share Units Expiring during Blackout Period

(1) Should the Expiry Date for a Restricted Share Unit fall within a Blackout Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Restricted Share Unit for all purposes under the Plan, provided that such automatic extension of the Expiry Date for a Restricted Share Unit will not apply where the Eligible Person or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

Cancellation on Termination for Cause

Unless the Board at any time otherwise determines, all unvested RSUs held by any Recipient and all rights in respect thereof will be automatically cancelled, without further act or formality and without compensation, immediately in the event of a Termination arising from the termination of employment or removal from service by the Company or a Related Entity for cause.

For greater certainty, if a contrary determination is made at the time of the grant of the Unit Award by the Board as to vesting following termination, notwithstanding such authority of the Board, any unvested Unit Awards must vest not later than twelve (12) months following the date of termination.

Retirement, Total Disability and Termination without Cause

If a Recipient ceases to be an Eligible Person for any of the following reasons, unvested Restricted Share Units held by any Recipient and all rights respect thereof will be automatically cancelled, without further act or formality and without compensation on the date the Recipient ceases to be an Eligible Person:

- Retirement of a Recipient;
- Total Disability of a Recipient; and
- the Termination of employment or removal from service by the Company or a Related Entity without cause.

The number of Common Shares available for reserve under the RSU Plan is a fixed number. Any Share subject to a Restricted Share Unit, which has been cancelled or terminated in accordance with the terms of the Plan without being paid out as provided for in the RSU Plan, shall again be available under the Plan.

Death

If a Recipient ceases to be an Eligible Person due to death, unvested Restricted Share Units will immediately vest on the date the Recipient dies.

Change of Control

In the event of a Change of Control, all RSUs credited to an RSU Plan Recipient vest on the date on which the Change of Control occurs. Within thirty (30) days after the date on which the Change of Control Occurs, the RSU Plan Recipient must receive a cash payment equal to (a) the number of Restricted Share Units that vested on the Change of Control Date; multiplied by (b) the Fair Market Value on the Change of Control Date, net of any withholding taxes and other source deducted required by law to be withheld by the Company.

Any adjustment, other than in connection with a security consolidation or security split, to Security Based Compensation granted or issued under a Security Based Compensation Plan must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

Tax Matters and Applicable Withholding Tax

Any applicable Withholding Tax shall comply with Policy 4.4.

Payment of Shares and Hold Periods

Under the RSU Plan, the Company, in its discretion and as may be determined by the Board, will pay out vested RSU's by paying or issuing (net of any applicable withholding taxes) to an RSU Plan Recipient, on or subsequent to the Trigger Date and before the Expiry Date (as defined in the Plan) an award payout of either:

- (a) one Common Share for each whole vested RSU; and
- (b) a cash amount equal the fair market value of one Common Share (as determined in accordance with the RSU Plan) as at the Trigger Date (the "Vesting Date Value") of each whole vested RSU.

Fractional Common Shares will not be issued pursuant to the RSU Plan, and where an RSU Plan Recipient would be entitled to receive a fractional Common Share in respect of a fractional vested RSU, the Company shall pay to such RSU Plan Recipient, in lieu of such fractional Common Share, cash value equal to the Vesting Date Value of such fractional Common Share.

As soon as practicable after vesting of Restricted Share Units the Company will pay out vested Restricted Share Units by issuing Shares (the "Award Payout Shares") as contemplated in the RSU Plan, and will direct its transfer agent to issue to the Eligible Person the appropriate number of Shares. Whenever required under TSX Venture Policies, the Exchange Hold Period will be applied from the date of grant of the Restricted Share Units for all Shares issued to:

- (a) Insiders, Promoters or Consultants of the Company; or
- (b) persons holding securities carrying more than 10% of the voting rights attached to the Company's securities immediately after the transaction in which the securities are issued, and who have elected or appointed or have the right to elect or appoint one or more directors or senior officers of the Company; or
- (c) any Eligible Person, including Insiders those noted in (a) and (b) above, where the Award Payout Price is set at a discount to the Fair Market Value.

Where the Exchange Hold Period is applicable, the certificate representing the Award Payout Shares, or written notice in the case of uncertificated Shares, will include a legend stipulating that the Award Payout Shares issued are subject to a four-month hold period.

Amendment, Suspension or Termination to RSU Plan

- (a) the Board shall have the power to, at any time and from time to time, and without shareholder approval, amend this RSU Plan or any Unit Award under this RSU Plan to fix typographical errors or to clarify existing provisions of this RSU Plan that do not have the effect of altering the scope, nature and intent of such provisions;
- (b) subject to TSX Venture approval, the Committee may from time to time amend or suspend this Plan in whole or in part and may at any time terminate this Plan without prior notice. However, any such amendment, suspension or termination shall not adversely affect the RSUs previously granted to an Eligible Person at the time of such amendment, suspension or termination, without the consent of the affected Eligible Person;
- (c) if the Committee suspends or terminates this Plan, no new RSUs will be credited to the account of an Eligible Person; however, previously credited RSUs shall remain outstanding but shall not be entitled to dividend credits following suspension or termination unless at the time of suspension or termination the Committee determines that the entitlement to dividend credits during suspension or after termination, as applicable, should be continued;
- (d) the Committee shall not require the consent of any affected Eligible Person in connection with a termination of this Plan in which the vesting of all RSUs held by the Eligible Person are accelerated in accordance with the terms of this Plan and the Payment Amount (less Applicable Withholding Amount) is paid to the Eligible Person in respect of all such RSUs;

- (g) this Plan will terminate on the date upon which no further RSUs remain outstanding, provided that such termination is confirmed by a resolution of the Committee.

Adjustments and Reorganizations

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Company or other distribution of the Company's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by §3.9), the Committee may choose to adjust the Account of each Eligible Person and the RSUs outstanding under this Plan in such manner, if any, as the Committee may in its discretion deem appropriate (taking into account any tax consequences to the extent considered relevant by the Committee) to preserve the Account of each Eligible Person and the RSUs outstanding under this Plan shall be adjusted in such manner, if any, as the Committee may in its discretion deem appropriate to preserve, proportionally, the interests of Eligible Persons under this

Plan. For greater certainty and notwithstanding any other provision of this Plan, in no event shall an Eligible Person be or become entitled to receive any amount of cash from the Company. Oversight and Description of Director and NEO Compensation

The Company's board of directors (the "**Board**") has established a compensation committee (the "**Compensation Committee**") whose mandate is to assist the Board in the review and approval of executive compensation matters. The Compensation Committee is responsible for (1) reviewing and recommending to the Board the compensation of the Executive Chairman, Chief Executive Officer and senior management members of the Company, including salary, short term and long term incentives and other direct and indirect benefits; (2) reviewing the compensation of directors; (3) overseeing the administration of the Company's compensation plans; and (4) approving the employment contracts of the Executive Chairman, Chief Executive Officer and senior management members. Final approval of all compensation matters relating to the Executive Chairman, Chief Executive Officer and senior management members of the Company rests with the full Board.

When determining compensation, and evaluating the competitiveness of the Company's compensation program, the Company periodically obtains industry reports and general compensation surveys conducted by independent consultants which provide comparative information. The Compensation Committee also reviews the compensation practices and levels of executive compensation for other peer group companies (as determined by the Compensation Committee). The Compensation Committee reviews this comparative data, in conjunction with its own review of the Company's performance and executive performance, and thereafter recommends to the Board the compensation package payable to the Company's executive officers for the Board's review and approval.

The Compensation Committee does not set specific performance objectives in assessing the performance of the Executive Chairman, Chief Executive Officer and the Chief Financial Officer; rather the Compensation Committee uses its experience and judgment in determining an overall compensation package for such executive officers.

Compensation awards to senior management of the Company has been determined by senior management of the Company. The Board periodically reviews the mandate of all committees including the Compensation Committee.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly

or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Philosophy and Objectives

Compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, which are:

- to attract and retain qualified and effective executives;
- to motivate the short and long-term performance of these executives; and
- to align their interests with those of the Company’s shareholders.

In compensating its senior management, the Company has employed a combination of base salary and equity participation through its stock option plan and restricted share unit plan.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company’s stock option plan and restricted share unit plan. Stock options and restricted share units are granted to senior executives and employees taking into account a number of factors, including the amount and term of options or restricted share units previously granted, base salary and bonuses and competitive factors.

Compensation Review Process

Base Salary or Consulting Fees

In the Board’s view, paying base salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on companies earning comparable revenues in a similar industry has been reviewed and compared over a variety of sources.

Benefits and Perquisites

In general, the Company will provide a specific benefit or perquisite only when it provides competitive value and promotes retention of executives, or when the perquisite provides shareholder value, such as ensuring the health of executives. Limited perquisites the Company provides its executives may include a parking allowance or a fee for each Board or Audit Committee meeting attended, to assist with their out-of-pocket expenses.

Extension of Options Expiring During Black-out Period

3.10 Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan, provided that such automatic extension of the Expiry Date for an Option will not apply where the Participant or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

Optionee Ceasing to be Director, Employee or Service Provider

3.11 Options may be exercised after the Participant has left his/her employ/office or has been advised by the Company or its subsidiary, if applicable, that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;

Adjustment of the Number of Optioned Shares

3.13 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;
- (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is

then being exercised, the lesser number of Common Shares as result from the consolidation;

(c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;

(d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.13;

(e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;

(f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.13, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company;

(g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.13, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records and such determination will be binding upon the Company and all Optionees; and

(h) any adjustment, other than in connection with a security consolidation or security split, to Options granted or issued under this Plan is subject to the prior acceptance of the TSX Venture, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

 - (iii) the maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12-month period to Insiders as a group shall not exceed 10% of the total number of issued and outstanding Shares of the Company on a non-diluted basis, calculated as at the date any Security Based Compensation is granted or issued to any Insider; and
- (c) Unit Awards may not be granted under this RSU Plan to persons retained to provide Investor Relations Activities.

PART 3

AWARDS UNDER THIS PLAN

3.1 Recipients

(1) Only Eligible Persons are eligible to participate in this Plan and receive one or more Restricted Share Units. Restricted Share Units that may be granted hereunder to a particular Eligible Person in a calendar year will (subject to any applicable terms and conditions) represent a right to a bonus or similar award to be received for services rendered by such Eligible Person to the Company or a Related Entity, as the case may be, in the Company's or the Related Entity's fiscal year ending in, or coincident with, such calendar year, as determined by the Board in its discretion.

3.2 Grant

(1) The Board may, in its discretion, at any time, and from time to time, grant Restricted Share Units to Eligible Persons as it determines is appropriate, subject to the limitations set out in this Plan. In making such grants the Board may, in its sole discretion but subject to §3.5(1)(c) in addition to Performance Conditions set out below, impose such conditions on the vesting of the Awards as it sees fit, including imposing a vesting period on grants of Restricted Share Units.

3.3 Conditions of Grant to an Employee

(1) Upon a grant of Restricted Share Units made to an Eligible Person that is an Employee hereunder the Company is responsible for ensuring, and the Employee is responsible for confirming, that the Employee is a bona fide Employee.

3.4 Performance Conditions

(1) At the time a grant of a Restricted Share Unit is made, the Board may, in its sole discretion, establish such performance conditions for the vesting of Restricted Share Units as may be specified by the Committee in the Award (the "Performance Conditions"). The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any Performance Conditions. The Board may determine that an Award shall vest in whole or in part upon achievement of any one Performance Condition or that two or more Performance Conditions must be achieved prior to the vesting of an Award. Performance Conditions may differ for Awards granted to any one Recipient or to different Recipients.

3.5 Vesting

(1) Except as provided in this Plan, Restricted Share Units issued under this Plan will vest on the date (the "Vesting Date") that is the later of:

- (a) the Trigger Date; and
- (b) the date upon which the relevant Performance Condition or other vesting condition set out in the Award has been satisfied,

provided that:

- (c) Restricted Share Units shall only vest on the Trigger Date to the extent that the Performance Conditions or other vesting conditions set out in an Award have been satisfied on or before the Trigger Date;
- (d) if the date in §3.5(1)(a) or §3.5(1)(b) occurs during a Blackout Period, the Vesting Date shall be extended to a date which is the earlier of: (i) one Business Day following the end of such Blackout Period; and (ii) the Expiry Date;
- (e) no Restricted Share Unit will remain outstanding for any period which exceeds the Expiry Date of such Restricted Share Unit; and

- (f) the authority of the Board in respect of vesting of Unit Awards under this Plan is subject to Section 4.6 of TSXV Policy 4.4 whereby no Unit Award may vest before the first anniversary of the grant date of such Unit Award, provided that acceleration of vesting may be expressly permitted by this RSU Plan for an Eligible Person who dies or who ceases to be an Eligible Person under this RSU Plan in connection with a change of control, take-over bid, RTO (as defined in TSXV Policy 1.1) or similar transaction.

3.6 Forfeiture and Cancellation Upon Expiry Date

- (1) Restricted Share Units which do not vest on or before the Expiry Date of such Restricted Share Unit will be automatically cancelled, without further act or formality and without compensation.

3.7 Amendment of Trigger Date

- (1) The Board of Directors may, at any time after a grant of a Restricted Share Unit, accelerate the Trigger Date of such Restricted Share Unit.

3.8 Account

- (1) Restricted Share Units issued pursuant to this Plan (including fractional Restricted Share Units, computed to three digits) will be credited to a notional account maintained for each Recipient by the Company for the purposes of facilitating the determination of amounts that may become payable hereunder. A written confirmation of the balance in each Recipient's account will be sent by the Company to the Recipient upon request of the Recipient.

3.9 Credits for Dividends

An Eligible Person's Account shall be credited with additional RSUs as of each dividend payment date in respect of which cash dividends are paid on Shares. The number of additional RSUs to be credited to an Eligible Person's Account shall be computed by dividing:

- (a) the dividends that would have been paid to such Eligible Person if each RSU in the Eligible Person's Account on the relevant dividend record date had been one Share, by
- (b) the Fair Market Value of the Share determined as of the date of payment of such dividend. Any fractional RSUs resulting from such calculation shall be rounded to the nearest whole number. For greater certainty, a fractional entitlement that is equal to or greater than 0.5 shall be rounded up to the next greater whole number and a fractional entitlement that is less than 0.5 shall be rounded down to the next lesser whole number. Any such additional RSUs credited to the Eligible Person's Account shall vest in proportion to and shall be paid in the same manner as the RSUs to which they relate. The foregoing does not obligate the Company to pay dividends on

Shares and nothing in this Plan shall be interpreted as creating such an obligation.

Any RSUs granted under §3.9 shall be subject to the terms of this Plan, including the limitations set out in §2.6. Any grants of RSUs that would result in exceeding any of the limits set out in §2.6 shall be paid in cash.

3.10 Adjustments and Reorganizations

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Company or other distribution of the Company's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by §3.9), the Committee may choose to adjust the Account of each Eligible Person and the RSUs outstanding under this Plan in such manner, if any, as the Committee may in its discretion deem appropriate (taking into account any tax consequences to the extent considered relevant by the Committee) to preserve the Account of each Eligible Person and the RSUs outstanding under this Plan shall be adjusted in such manner, if any, as the Committee may in its discretion deem appropriate to preserve, proportionally, the interests of Eligible Persons under this Plan. For greater certainty and notwithstanding any other provision of this Plan, in no event shall an Eligible Person be or become entitled to receive any amount of cash from the Company. Any adjustment, other than in connection with a security consolidation or security split, to Security Based Compensation granted or issued under a Security Based Compensation Plan must be subject to the prior acceptance of the TSXV, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

3.11 Notice and Acknowledgement

(1) No certificates will be issued with respect to the Restricted Share Units issued under this Plan. Each Eligible Person will, prior to being granted any Restricted Share Units, deliver to the Company a signed acknowledgement substantially in the form of Schedule "A" to this Plan.

3.12 Extension of Restricted Share Units Expiring during Blackout Period

(1) Should the Expiry Date for a Restricted Share Unit fall within a Blackout Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Restricted Share Unit for all purposes under the Plan, provided that such automatic extension of the Expiry Date for a Restricted Share Unit will not apply where the Eligible Person or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

PART 4

PAYMENTS UNDER THIS PLAN

4.1 Payment of Restricted Share Units

(1) Subject to the terms of this Plan and, in particular, §4.7 of this Plan, the Company, in its discretion and as may be determined by the Board, will pay out vested Restricted Share Units issued under this Plan and credited to the account of a Recipient by paying or issuing (net of any Applicable Withholding Tax) to such Recipient, on or subsequent to the Trigger Date but no later than the Expiry Date of such Vested Restricted Share Unit, an Award Payout of either:

- (a) subject to receipt of the Required Approvals, one Share for such whole vested Restricted Share Unit. Fractional Shares shall not be issued and where a Recipient would be entitled to receive a fractional Share in respect of any fractional vested Restricted Share Unit, the Company shall pay to such Recipient, in lieu of such fractional Share, cash equal to the Vesting Date Value as at the Trigger Date of such fractional Share. Each Share issued by the Company pursuant to this Plan shall be issued as fully paid and non-assessable, or
- (b) a cash amount equal to the Vesting Date Value as at the Trigger Date of such vested Restricted Share Unit.

4.2 Consultants and Advisors

(1) The Board may engage such consultants and advisors as it considers appropriate, including compensation or human resources consultants or advisors, to provide advice and assistance in determining the amounts to be paid under this Plan and other amounts and values to be determined hereunder or in respect of this Plan including, without limitation, those related to a particular Fair Market Value.

4.3 Cancellation on Termination for Cause

(1) Unless the Board at any time otherwise determines, all unvested Restricted Share Units held by any Recipient and all rights in respect thereof will be automatically cancelled, without further act or formality and without compensation, immediately in the event of a Termination arising from the termination of employment or removal from service by the Company or a Related Entity for cause.

For greater certainty, if a contrary determination is made at the time of the grant of the Unit Award by the Board as to vesting following termination, notwithstanding such authority of the Board, any unvested Unit Awards must vest not later than twelve (12) months following the date of termination.

4.4 Retirement, Total Disability and Termination without Cause

(1) If a Recipient ceases to be an Eligible Person for any of the following reasons, unvested Restricted Share Units held by any Recipient and all rights in respect thereof will be automatically cancelled, without further act or formality and without compensation on the date the Recipient ceases to be an Eligible Person:

- (a) Retirement of a Recipient;
- (b) Total Disability of a Recipient; and
- (c) the Termination of employment or removal from service by the Company or a Related Entity without cause.

4.5 Death

(1) If a Recipient ceases to be an Eligible Person due to death, unvested Restricted Share Units will immediately vest on the date the Recipient dies.

4.6 Change of Control

(1) In the event of a Change of Control, all Restricted Share Units credited to an account of a Recipient that have not otherwise previously been cancelled pursuant to the terms of the Plan shall vest on the date on which the Change of Control occurs (the "Change of Control Date"). Within thirty (30) days after the Change of Control Date, but in no event later than the Expiry Date, the Recipient shall receive a cash payment equal in amount to: (a) the number of Restricted Share Units that vested on the Change of Control Date; multiplied by (b) the Fair Market Value on the Change of Control Date, net of any withholding taxes and other source deductions required by law to be withheld by the Company.

Any adjustment, other than in connection with a security consolidation or security split, to Security Based Compensation granted or issued under a Security Based Compensation Plan must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

4.7 Tax Matters and Applicable Withholding Tax

(1) The Company does not assume any responsibility for or in respect of the tax consequences of the receipt by Recipients of Restricted Share Units, or payments received by Recipients pursuant to this Plan. The Company or relevant Related Entity, as applicable, is authorized to deduct such taxes and other amounts as it may be required or permitted by law to withhold ("Applicable Withholding Tax"), under the Tax Act, in such manner (including, without limitation, by selling Shares otherwise issuable to Recipients, on such terms as the Company determines) as it determines so as to ensure that it will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or other required deductions, or the remittance of tax or other obligations. The Company or relevant Related Entity, as applicable, may require Recipients, as a

condition of receiving amounts to be paid to them under this Plan, to deliver undertakings to, or indemnities in favour of, the Company or Related Entity, as applicable, respecting the payment by such Recipients of applicable income or other taxes. Any Applicable Withholding Tax shall comply with TSXV Policy 4.4.

4.8 Payment of Shares and Hold Periods

(1) As soon as practicable after vesting of Restricted Share Units the Company will pay out vested Restricted Share Units by issuing Shares (the "Award Payout Shares") as contemplated in §4.1(1)(a) herein, and will direct its transfer agent to issue to the Eligible Person the appropriate number of Shares. Whenever required under TSX Venture Policies, the Exchange Hold Period will be applied from the date of grant of the Restricted Share Units for all Shares issued to:

- (a) Insiders, Promoters or Consultants of the Company; or
- (b) persons holding securities carrying more than 10% of the voting rights attached to the Company's securities immediately after the transaction in which the securities are issued, and who have elected or appointed or have the right to elect or appoint one or more directors or senior officers of the Company; or
- (c) any Eligible Person, including those noted in (a) and (b) above, where the Award Payout Price is set at a discount to the Fair Market Value.

Where the Exchange Hold Period is applicable, the certificate representing the Award Payout Shares, or written notice in the case of uncertificated Shares, will include a legend stipulating that the Award Payout Shares issued are subject to a four-month hold period.

PART 5

MISCELLANEOUS

5.1 Compliance with Applicable Laws

(1) The issuance by the Company of any Restricted Share Units and its obligation to make any payments hereunder is subject to compliance with all applicable laws. As a condition of participating in this Plan, each Recipient agrees to comply with all such applicable laws and agrees to furnish to the Company all information and undertakings as may be required to permit compliance with such applicable laws. The Company will have no obligation under this Plan, or otherwise, to grant any Restricted Share Unit or make any payment under this Plan in violation of any applicable laws.

5.2 Non Transferability

will be entitled to receive the amount of any payment otherwise payable to the Recipient hereunder in accordance with the provisions hereof.

5.3 No Right to Service

(1) Neither participation in this Plan nor any action under this Plan will be construed to give any Eligible Person or Recipient a right to be retained in the service or to continue in the employment of the Company or any Related Entity, or affect in any way the right of the Company or any Related Entity to terminate his or her employment at any time.

5.4 Successors and Assigns

(1) This Plan will enure to the benefit of and be binding upon the respective legal representatives of the Eligible Person.

5.5 Amendment, Suspension or Termination to RSU Plan

- (b) subject to TSX Venture approval, the Committee may from time to time amend or suspend this Plan in whole or in part and may at any time terminate this Plan without prior notice. However, any such amendment, suspension or termination shall not adversely affect the RSUs previously granted to an Eligible Person at the time of such amendment, suspension or termination, without the consent of the affected Eligible Person;
- (c) if the Committee suspends or terminates this Plan, no new RSUs will be credited to the account of an Eligible Person; however, previously credited RSUs shall remain outstanding but shall not be entitled to dividend credits following suspension or termination unless at the time of suspension or termination the Committee determines that the entitlement to dividend credits during suspension or after termination, as applicable, should be continued;
- (d) the Committee shall not require the consent of any affected Eligible Person in connection with a termination of this Plan in which the vesting of all RSUs held by the Eligible Person are accelerated in accordance with the terms of this Plan and the Payment Amount (less Applicable Withholding Amount) is paid to the Eligible Person in respect of all such RSUs;

- (e) other than set out in (a) to (d) above, any amendments to the Plan shall be subject to the Exchange approval and shareholders approval, including:
 - (i) persons eligible to be granted or issued RSUs under the Plan;
 - (ii) the number or percentage issued and outstanding Shares available for grant under this Plan;
 - (iii) the limits under the Plan on the amount of RSUs that may be granted to any one person or any category of person;
 - (iv) the method of calculation of redemption of RSUs held by Eligible Persons;
 - (v) the maximum term of RSUs; and
 - (vi) an extension to the term for redemption of RSUs held by Eligible Persons;
- (f) if the outstanding Shares of the Company are increased or decreased through a stock split, consolidation, normal course issuer bid or substantial issuer bid, subject to TSX Venture approval, the number of issued and outstanding Shares available for grant under this Plan will be adjusted accordingly such that the number of Shares available for grant under this Plan shall equal to 10% of the issued and outstanding Shares following the completion of such stock split, consolidation, normal course issuer bid or substantial issuer bid;
- (g) this Plan will terminate on the date upon which no further RSUs remain outstanding, provided that such termination is confirmed by a resolution of the Committee.

5.6 Governing Law

(1) This Plan and all matters to which reference is made in this Plan will be governed by and construed in accordance with the laws of British Columbia and the federal laws of Canada applicable therein.

5.7 Reorganization of the Company

(1) The existence of any RSUs shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.8 No Shareholder Rights

(1) Restricted Share Units are not considered to be Shares or securities of the Company, and a Recipient who is issued Restricted Share Units will not, as such, be entitled to receive notice of or to attend any Shareholders' meeting of the Company, nor entitled to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, and will not be considered the owner of Shares by virtue of such issuance of Restricted Share Units.

5.9 No Other Benefit

(1) No amount will be paid to, or in respect of, a Recipient under this Plan to compensate for a downward fluctuation in the Fair Market Value or price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Recipient for such purpose.
